

Dear Alan,

re Bernard Warner

When Bernard and I entered The School in Sept 1928 I was the second youngest of 600 odd. I joined The lower Preparatory under Miss Preston and next year moved to the upper Preparatory under Miss Sheridan - fees 12 guineas per annum.

I presume Bernard joined in Form 2, the 11+ form, aged circa 11. For me he would have been amongst the 'gods' and personally unknown, then or later.

I have had fairly recent contact with Lindsey Little, who learnt Danish at school. We were both in the renowned 67<sup>th</sup> Ferme Park BP Scouts along with numerous other OS, including John Cremer 1930/38 who comes to some lunches and the dinner. As they say 'Nostalgia is never out of fashion!'

Thank you and Mike for sending me the interesting e-mail

Yours aye  
John
